Canada's Farm Show Exhibitor Sales Now Open

Regina, Saskatchewan – The Regina Exhibition Association Limited (REAL), organizer of Canada's Farm Show (CFS) presented by Viterra, is pleased to announce applications are now being accepted to be an exhibitor for the upcoming show. The next edition of the Canada's Farm Show is slated to take place from June 21-23 in Regina. The show returns to its' in-person format after a virtual show in 2021 due to the pandemic.

CFS is one of Canada's largest and longest running dryland farming shows, marking 44 years in 2022.

Why you should consider becoming an exhibitor include:

- Education on latest innovations & agriculture trends
- Network & build relationships with current & prospective customers
- Exposure to qualified buyers
- Interactive exhibits & hands-on demonstrations
- Association to a highly recognized & credible show

Annually, there are over 35,000 attendees coming from over 50 countries. You will have access to over 900 international buyers.

With over 500,000 square feet of indoor exhibit space, exhibitors get access to qualified buyers regardless of the weather.

To apply for booth space and receive more details on pricing and available space at this year's show click: <https://www.canadasfarmshow.com/exhibitors-and-innovations/exhibitors>
